SUBJECT: Supersized Women of Comedy Letter of Recommendation

To Whom It May Concern:

What a joyous performance this was at the Staten Island JCC! From start to finish, there's nonstop laughs, musical comedy, and upbeat dance moves that wowed our socks off. All the women bring their true authentic personalities to the stage and celebrate the truths and realities of being a woman. They took creativity to a new level and really connected with our audience. They used great crowd work to bring energy. We got winded just watching them from our seats. Our crowd was filled with both young and old, and the show was a hit for everyone.

We hope to bring Supersized Women of Comedy to the Staten Island JCC every year now, to continue to share this dynamic group of ladies with our community. You can't go wrong with having these hilarious ladies on your stage. This performance is ready to go for any stage and community. Thank you to the Supersized Women of Comedy: Tracy Rosenberg, Mary Dimino, Randi Kaplan, Randi Simon Lupo, Nanci Richards, and Carolann Valentino for bringing a great evening of laughs to our community. We surely won't forget it.

I highly recommend Supersized Women of Comedy for your venue, bookings, and special events.

Sincerely,
